

Pregnancy Drop-in Sessions

Congratulations on your pregnancy. The Riverside Midwifery Team run group-sessions every week for mothers who want to discuss their care before 14 weeks of pregnancy.

You can just turn-up; no need to book an appointment.

These sessions will be at:

Newby Place	Thur	13:30 to 14:00
Aberfeldy	Fri	11:30 to 12:00
Barkantine Birth Centre	Mon	18:00 to 18:30
	Sun	13:30 to 14:00

These group sessions are run by midwives and will provide information on pregnancy and the care you will receive. It will be your opportunity to ask your midwife about diet, screening, pregnancy symptoms and whatever you feel comfortable discussing in a group-setting.

All other information will be given at the booking appointment at The Royal London Hospital. You will be sent an appointment for this.
